

# CAPABILITIES STATEMENT

Able to service Australia wide

## Who are we?

CMT was founded in 1976 in Colac (Vic) by Chris and Marilyn Meade. We have grown, diversified, opened interstate facilities but we have never lost our customer service commitment. Product PROTECTION, packaging INNOVATION and prompt ACTION are the cornerstones of CMT customer satisfaction.

Our echidna is our symbol of total protection of fragile goods, surprising strength and longevity. And he is as Australian and down to earth as we are.

## Solutions for every sector:

### Manufacturing

Providing cardboard cartons, pallets, custom cases and crates for the safe transport of electronics, whitegoods, building materials and much more.

### Automotive

Designing and manufacturing packaging solutions for the safe delivery of everything from windscreens to engines.

### Fresh produce

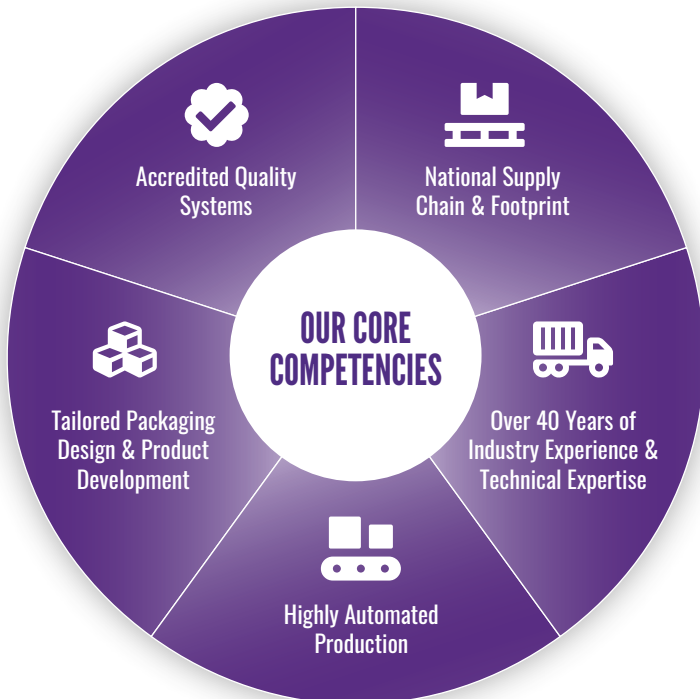

Providing custom bins for any type of delicate fresh produce.

### Livestock

Supplying livestock crates that comply with national and international guidelines, and maximise animal health and welfare.

### Export

CMT export pallets and timber cases and crates are ISPM-15 Certified to meet worldwide shipping requirements.

secure & reliable packaging solutions

made from plantation-grown timber
